NLRB-2017-002177	Mr. Kevin Barry	All documentation of the two lawsuits filed by the Ithaca College contingent faculty union against Ithaca College. The first lawsuit, filed March 8, alleged that three contingent faculty members were not rehired for the 2017-18 academic year because they had been involved in the union's previous negotiation efforts. The other lawsuit, filed May 15, alleged that the college had taken some contingent faculty off of HomerConnect, the virtual course scheduling system used by the college. We are seeking the documents related to the investigations into both cases, and the agreement between the college and the union to resolve the issue. NLRB-2017-002107	Justin Burgess	Please send me copies of documents related to the election(s) involving International Union of Operating Engineers, Local 501 and Bechtel Nevada Corporation. I am specifically seeking the description of the unit. The CBA we are working with references "Case No. 28-RC-5404/5405&" and "Case No. 28-RC-5404/5404,&" but there is no digital presence of a case with those numbers. This election would have taken place between 1994-1996. The site is run by a government contractor, so while information will likely be found in association with Bechtel, it may be under the previous contractor, Reynolds Electric & Engineering Co., instead.
